Quality is not an act, it is our habit.

ABOUT US

Under the able guidance of our mentor, **Mr. Vipul Patel**, we have been able to carve a niche in the marketplace. With his rich experience, we have successfully attained a remarkable position in the market.

Established in the year 2002, we SUPERMELT ENGINEERS, are engaged in manufacturing and supplying the wide range of Industrial Furnace Equipment. We are also providing repairing services to these products. Our range of Industrial Furnace Equipment includes Induction Melting Furnace, Water Coolant Pipes, Crucible Blocks, Current Limiting Reactor, Induction Furnace Coil, Heat Exchanger, Furnace Transformer, Induction Furnace Crucible, Furnace Control Card and High Power Diodes, High Power Tyristor and Di/Dt Inductor.

Empowered by top-of-the-line infrastructure facilities and a team of experts, we are catering to the needs of clients based all across the globe within the stipulated time frame.
